SUMMARY

MCA student (2nd Year) with hands-on experience in full stack web development. Proficient in Python (Django), HTML, CSS, and Bootstrap, with a strong foundation in building responsive, user-friendly web applications and robust back-end systems. Eager to apply academic knowledge and practical skills in a dynamic internship or project environment, with a keen interest in web development, software engineering, and technology-driven solutions.

PROJECT

School ERP (Seth AR Jaipuria School) March 2024-July 2024

- Developed a full-stack School ERP system using Python (Django), HTML, CSS, and Bootstrap.
- Implemented role-based login, attendance management, and notice board modules.

Ride Rover (Online Vehicle Rental)

- Developed a full-stack online vehicle rental system using Python (Django), HTML, CSS, and Bootstrap.
- Implemented user login, vehicle listing, and booking management for seamless rental experience.
- Designed separate admin and user panels for efficient management and control.

PROFESSIONAL EXPERIENCE

Training at Softpro Institute, Lucknow March 2024-July 2024

- Completed full stack web development training at Softpro Institute.
- Built responsive web applications
- Gained hands-on experience in Python (Django), HTML, CSS, and Bootstrap.

SKILLS

Language: C, C++, Python, HTML, CSS

Framework: Django, Bootstrap

Database: MySQL, SQLite

Tools: GitHub, Vs Code, Power Bi

Soft Skills: Problem Solving, Team Leader, Quick Learner

EDUCATION

(Pursuing) Masters of Computer Application 2025-2027

G.L Bajaj Institute of Management, Greater Noida

Bachelor in Computer Application (83.5%) 2022-2025

Lucknow Public College of Professional College, Lucknow

ADDITIONAL INFORMATION

Student Member, IEEE — actively engaged with the global network of technology and engineering professionals.

Solved **80+ problems** on **LeetCode**, demonstrating strong problem-solving and logical thinking ability.

Certification: Industrial Training on “Python with Django”
